(Read Carefully)

Again we come to you with our annual catalogue of DESIRABLE DAHLIAS, and as in other years we are presenting only the best in American and Foreign varieties, both old and new. We wish to thank our many friends and customers who made it possible for us to enjoy the best season we have ever had with our dahlias, and we assure you that we will at all times do our very best to offer you only those varieties you will be proud to grow, both in our own introductions and those of others. Your confidence will not be misplaced.

We are sure better quality cannot be found than we are offering, as our growing conditions are ideal for the production of good sound well-developed stock that should do well where ever planted. Letters on file will verify our claims.

**GUARANTEE**—We guarantee all our stock to be as represented and true to name, in good growing condition, and will exercise the utmost care in filling your orders. Should any mistakes creep in we are more than willing to adjust them to your entire satisfaction.

**TERMS AND DELIVERY**—We pay delivery charges on all orders of \$2.00 and over, and no goods sent C. O. D. unless 50% of purchase price accompanies the order. Stamps accepted up to \$3.00. Express or P. O. Money Order is always safe.

**EARLY SHIPMENTS**—If your order is desired during severe weather we will pack it as frost proof as possible and send by insured express. After the goods have left our place we can in no wise be held responsible for damage or freezing in transit. If such damage occurs put in your claim at once to the Express Company or send their report to us for adjustment and your shipment will be replaced.

**FOREIGN CUSTOMERS**—Please remit by International Money Order and make the amount equal to value in American dollars. It will be necessary for Canadian customers to obtain a permit from the Department of Agriculture at Ottawa and file same with the Collector of Customs before shipment can be cleared. Send us your instructions and permit number. Seeds require no permit.

**REMEMBER** to write your name and full address as plainly as possible. It is safer to PRINT it. Address all orders and communications to

In compliance with the Washington Sales Tax Law it will be necessary for you to add the 2% sales tax to your remittance. We are not permitted to absorb this tax.

**GRAND SLAM, S.C. (Jones-Hulin)** — True type Semi-Cactus that is a real beauty to look at and to grow. The color is very striking, being tyrian rose, citron yellow and amaranth pink. The bushes are medium tall with lots of good size blooms. To get best results it should be pinched back and the crown bud removed. Reports from overseas proclaim it very startling and exceedingly popular. On three Honor rolls in 1935. This beauty should be in every good collection. Roots \$5.00. Plants .....\$2.50

**MRS. JAMES ROOSEVELT, S.C. (Parrella-Hulin)**—A lovely grenadine red with streaks of yellow on the reverse giving it an orange effect with yellow tints. We had the pleasure of growing this variety the past season, and it was very outstanding and popular with the visitors. The bush is very strong growing, and the large blooms are held on very stiff stems. This dahlia received an award of Honor at the Georgia Experimental Station in 1936. Stock limited. Roots \$10.00 net. Plants, net.....\$5.00

**DON WILSON, I.D. (Jeffords-Parrella)**—A certificate winner at East Lansing, and a dahlia that was selected by the great radio announcer as one of the best of the new ones. The bush is ideal in every way. The large blooms are deep old rose at center and lighter at the tips having streaks of yellow running through the petals. In all this is a very striking dahlia. Strong divisions, \$10.00. Plants .....\$5.00

---

Our service will satisfy us only when it pleases you.

**INCANDESCENT, I.D.** (Weyers - Parrella)—This new attraction has been mentioned on the Honor Rolls of 1936 with fine comments. The color is rich rosy buff with a shading of yellow reverse light old rose. It is a seedling of Jane Cowl, and scored 85 at East Lansing Trial Gardens. Large blooms on cane stiff stems make this a real attraction in any up-to-date garden. Strong divisions, \$10.00. Plants.....\$5.00

**JULIA IRENE, I.D.** (Parrella-Hulin)—A seedling of Kathleen Norris, rose pink in color with streaks of deep pink. The blooms are large to extra large with deep full centers on good stiff stems. Bush is tall growing with abundant foliage that is always vigorous and healthy. Received an Award of Honor at the Georgia experimental station, and very much admired at the Botanical Gardens. Strong divisions, \$10.00. Plants .....\$5.00

**MISS OAKLAND** (Oakleigh Gardens)—See Cover picture. The champion white dahlia — champion in all respects—Perfect flowers, wonderful keeper, and has proven its value from coast to coast. We had the pleasure of growing this champion in 1935, and what a pleasure it was. Twice a winner of Certificate of Merit at East Lansing and at Storrs; also an Award of Honor at Georgia Dahlia Society. On most of the Honor Rolls this season. The perfect formal blooms are from 5 to 7 inches grown naturally on wonderful long stiff stems. The bush is very healthy and with us the insects left it entirely alone. This dahlia will be grown for either cut flowers or exhibition. Strong divisions, \$10.00 Net. Plants .....\$5.00

## New Introductions Offered in Plants Only

**BAERNS, S.C.** (Ballego)—This is without doubt one of the best European novelties of last season. Winner of the Silver Challenge Cup of the Dutch Dahlia Society. The color is a striking carmine rose throughout the entire flower. The petals are pointed and the stems hold the blooms at a fine angle. Bush about four feet tall and well branching. The blooms when cut last a long time. A real novelty.....\$2.00

**BALLEGO'S SURPRISE, S.C.** (Ballego)—With us this was the most beautiful of all white dahlias. The formation is not unlike the now very popular Frau O. Bracht, of which it is a seedling. The blooms are a trifle larger than the parent, and stems a little better. One of the most prolific bloomers in our garden, and with fine keeping qualities. This will meet with instant favor..\$2.00

---

You will find no group of flower lovers who extol the grandeur of flowers with such reckless abandon as those who raise dahlias, and well they may, for where can you find a better flower?

- CALIFORNIA ROSE, I.D. (Ballay)**—A very exquisite color of bright rose over a bush of dark green foliage makes this novelty one of the best in the garden. Large blooms are held well on good stems over a tall growing bush. In all, a very DESIRABLE Dahlia. Plants only.....\$2.00
- DULCENIA, Cactus (Brudigom)**—A vivid firey red with long pointed petals. Nice size blooms on good long stiff stems. The plant is a fine clean grower and a free bloomer. One of the best new reds .....\$2.00
- FLAMING TORCH, Cactus (Holland)** — Brilliant orange red paler at tips of petals. Winner of Certificate both at Haarlem and Amsterdam in 1935. Excellent bush growth, and blooms on strong stiff stems.....\$2.00
- FREDA GEORGE, I.D. (Australia)** — One of the most delightful flowers it has been our privilege to grow. The color is helio and cream, and one has to see it to fully understand the delicate color. The blooms are large on wonderful stems. One of the very best.....\$5.00
- GOLDEN AGE, Cactus (Carlee)**—This was a real beauty the past season with us, and another one of the GOOD cactus novelties. Winner of prizes at nearly every show in Europe. The golden orange blooms are nine inches on long stems. Tall bush and always in bloom. Real good .....\$1.50
- GALILEE, I.D. (New Zealand)**—A lovely and lively color of light orange with a contrasting dark green foliage. The blooms are extra large and on stems perfectly stiff, keeping well when cut .....\$3.50
- JUDGE SAMUEL SEABURY, I.D. (Etherington)**—A very large dahlia of unusual color being a blend of heliotrope on a light ground. The blooms are large and fairly deep, held on good stems facing the audience. This variety was very popular the past season.....\$2.00
- MARGRACE, I.D. (Bissell)**—A wonderful dahlia of large proportions, and the ever popular color combination of scarlet and gold. The long pointed petals slightly twist adding to the beauty. Winner of two certificates in 1935 and on all Honor Rolls.....\$2.50
- MRS. GEORGE LE BOUTELIER, I.D. (Smith)**—A giant flower of deep crimson red held on good stiff stems. The bush is quite branching and very robust, growing about four feet.....\$2.00
- NAGEL'S BIJOU, Cactus (Nagel)**—One of the very best Cactus to come from Holland in many years. Color glowing orange of the type of Miss Belgium, but much larger and deeper. Winner of first-class certificates at Brussels both 1934 and 1935. At Amsterdam, Aalsmeer and Brussels in 1936. Considered very sensational all over Europe.....\$5.00

---

BALLEGO'S SURPRISE from Holland is a white beauty. We like it.

Buying inferior stock at a low cost is not economy.

**PETUNIA, Cactus (Stredwick)** — Deep lilac in color and large size for a cactus. The long stiff stems are well out from the bush making it very attractive. This is a real good number.....\$2.00

**PINK SPIRAL, Cactus (Brudigom)** — A wonderful Holland novelty with a formation that is different. The narrow petals incurve making it very pleasing. The color is peach blossom pink and the blooms are held strongly on good stems. The center has the effect of a spiral and is very noticeable at a distance.....\$1.00

**ROYAL AUVERGNE, S.C. (French)** — This French novelty has a fine bright color of cauldron red and crome yellow. Nice size flowers on fine stems are well in the air over a nice growing plant. This is really a novelty in color and formation, the blooms are also fine keepers. It was one of the winners of first-class certificates at the French Trial Gardens. Only a few plants offered this season at, each.....\$5.00

**TROPIC STAR, Cactus (De Ruyter)** — One of the most artistic, outstanding and attractive dahlias of Dutch origin. The plant is tall and very prolific, the blooms averaging eight inches on good strong stems of great length. The color is bright orange red with orange yellowish center. Award of merit at Amsterdam and Haarlem in 1936. This is very highly recommended for exhibition. (Originator's description.) Each....\$5.00

## New and Recent Introductions

**That Are a Pleasure to Grow in Any Garden**

**ANNA MAY WONG, I.D. (Stephenson)** — This is a full deep bloom of large proportions. The color is spectrum red with a lighter reverse. The deep flowers are held on good stiff stems above a medium tall bush. This one was very attractive with us the past season. We are sure you, too, will like it. Good divisions well matured. Roots \$5.00. Plants.....\$2.50

**ADORABLE, I.D. (Parkway)** — An Honor Roll dahlia that will win in the best company through sheer beauty alone. The wonderful bushes carry plenty of beautiful peach pink and gold blossoms that are a real joy to look at. The bushes are rather branching, and the ten-inch blooms are held on perfectly stiff stems. Roots, each \$3.00. Plants.....\$1.50

**AMERICA'S SWEETHEART, I.D. (Salem Gardens)** — A wonderful clear yellow of huge size and depth. Fine growing bush with the large flowers nearly on top of good stiff stems. Winner of many prizes as the largest in the show, both East and West. Every one likes this beauty. Roots \$5.00. Plants .....\$2.50

---

Wood ashes or muriate of potash will furnish potash to the roots and is a great aid to development. It is the balancing agent for Nitrogen.

- ANN HARDING, I.D.** (Smith - Mad River Gardens)—The color of this dahlia is a pleasing shade of pink and gold with a very light high center. The bush is a fine grower of medium height, branching nicely. A certificate winner and Honor Roll number that you will enjoy. Plants only .....\$2.50
- AUTUMN MOON, F.D.** (Wichersham)—Deep formal yellow of large size on good stems. The medium tall bushes are very robust and the blooms are freely produced. Roots.....\$2.50
- AGNES L. YOUNG, I.D.** (Young)—Pleasing color combination of red with gold tips. The large blooms are very deep and held on good stems above a bush of light green foliage. Very attractive. Roots .....\$1.00
- ADIRONDACK SUNSET, I.D.** (Crackner - Parkway)—One of the best and most striking dahlias ever introduced. The lovely large blooms are of the favorite red and gold combination, exceptionally full and on good stems. The bush is strong and the thick foliage does not attract the insects, making it one of the most satisfactory to grow. Roots.....\$2.50
- CAVALCADE, F.D.** (Groll)—A formal of the Jersey Beauty type that bids fair to equal that famous dahlia. The color is a combination of old rose and mulberry pink. The blooms are larger than Jersey's Beauty and deeper. The stems are long and stiff, the bush medium tall. Roots .....\$2.50
- CORNELIA BRYCE PINCHOT, I.D.** (Veile and Mendham)—One of the richest in color we have ever grown, deep burgundy red and very large with a tight center. The bushes are a sight to see with from four to six of the large blooms at one time. In all ways very desirable. Roots.....\$3.50
- DEAN ANDERSON, I.D.** (Mad River Gardens)—We grew this variety the past season with most satisfactory results. The bushes are tall and the blooms are large with deep full centers. The stems are very stiff yet not clubby holding the blooms at a nice angle. An exhibition dahlia of a rare color henna orange. Winner of special awards and first prize in the seedling class. Plants only .....\$5.00
- DAISY TURNQUIST, I.D.** (Turnquist-Hulin) — A most impressive flower of rose pink and salmon orange. Not the largest but certainly a beauty. Certificate winner at Storrs and a constant winner at the Northwest shows. Tall bush and lots of lovely flowers. Fine keeper. Roots, \$2.00. Plants .....\$1.00
- FOREST FIRE, I.D.** (Maytrot) — Perhaps one of the flashiest of all red and yellow dahlias. The bushes are low and the flowers are large, making it ideal for landscaping. The blooms are of a brilliant scarlet suffused with yellow. Stock limited. Roots .....\$2.00

---

When your dahlias need water give them plenty; do not sprinkle.

- GOLDEN HOARD, I.D. (Salem Dahlia Gardens)**—  
A fine golden yellow of large size. The bushes are very robust and insect-resisting, rather tall and branching. Plenty of large blooms always cover it from early till late. We like this very much. Roots .....\$2.50
- GOLDEN STANDARD, Cac. (Downs)**— This is one of the few American Cactus varieties that have made good, and it should be grown in every garden that likes this type flower. The bushes are rather tall with blooms of 7 to 8 inches on good stems. The color is very pleasing, a light tan and shaded with amber and bronze. Roots, \$2.50. Plants .....\$1.50
- GEORGE WASHINGTON, I.D. (Sutcliff-Parrella)**—  
Tall growing plant with large blooms of rose pink deeper at the base of the petals. The formation is lovely with long pointed petals and perfectly full center. An Honor Roll dahlia that will become very popular. Roots, \$5.00. Plants .....\$2.50
- H. R. STOVEL, I.D. (Seal)**—A massive dahlia of golden yellow, having long broad petals that twist and wave in a pleasing manner. The stems are good and the blooms are good keepers. Bush very compact and covered with color from early till late. We like this number very much. Roots .....\$2.50
- HILLCREST NUGGET, I.D. (Scott)**—Tall growing bush producing large flowers in abundance on extra long stems. The color is rose pink. A certificate winner with a high score. A fine exhibition variety. Plants .....\$2.50
- HUNT'S VELVET WONDER, I.D. (Hunt)**— A giant of unusual beauty, very large burgundy violet. Deep flowers with the long pointed petals curling nearly back to the stem. Winner of the Achievement Medal in 1934, and was the best flower in the show. The bushes are very vigorous and seem to be insect-proof. We highly recommend this novelty. Roots, \$3.75. Plants..\$1.75
- KENTUCKY SUN, F.D. (White)**—A great yellow formal that at once grasps your attention. Winner of Achievement Medal and on three Honor Rolls. A clean vigorous grower producing large flowers of bright golden yellow on strong stems. If yellow is your favorite, so will this be. Plants ..... \$2.50
- MRS. W. F. LORD, F.D. (Pike-Parrella)**—Bright gold with tints of peach pink on the reverse. Very free bloomer with large flowers very full and deep having long broad petals. Tall growing bush and nicely branching. Roots, \$7.50. Plants..\$3.75
- MISS LONG ISLAND, I.D. (Jeffords-Parrella)**—  
This dahlia was very outstanding with us the past season. The tall bushes carry lovely large blooms of a pleasing watermelon pink on long stiff stems. Roots, \$5.00. Plants.....\$2.50

---

When you part with your good money for dahlias it is pleasure you are buying, and you run no risk in purchasing pleasure from us.

- MOON GLO, F.D. (Parrella-Hulin)**—Light lemon yellow of large size on real stems. Medium tall bush of bright green foliage adds to the general beauty of the plant. Very free bloomer and good keeper. Roots .....\$3.50
- OLYMPIC SUNSET, S.C. (Lee)**—A Northwest introduction of real merit, in beauty, shape and color. Tall bush producing many blooms of large size on good stems. The color is very dainty, apricot and coral with a tint lemon. The petals are well pointed and the center is always full. You will get best results by disbudding well. Roots .....\$2.50
- OAKLEIGH PRINCESS, S.C. (Hook - Hulin)**—This variety is a seedling of Satan, but very much different in color and formation. The large blooms are lemon yellow overcast with red. The petals are long and pointed twisting nicely. Bush about four feet and rather branching. It is an all round good dahlia. Roots \$5.00. Plants .....\$2.50
- OAKLEIGH MONARCH, F.D. (Hook-Hulin)**—A certificate winner and on three Honor Rolls last season (1935). The flower is unlike any other in many ways. The color is a bright cerise red with broad petals being nearly tubular near the center. Fine keeper both on and off the bush. This was one of the highest scoring dahlias at the trial gardens. Roots, \$5.00. Plants .....\$2.50
- ROYAL PURCHASE, Cac. (Nnnnerviller)**—This variety is one of the few of American origin in this class. Long pointed petals of straw yellow and blend of pink. The flower is quite large on long stems and of good keeping quality. Winner of many prizes the past season. Roots, \$7.50. Plants .....\$5.00
- ROYAL ROBE, I.D. (Sigismondi - Parrella)**—Rich royal purple with a light overcast on the reverse which gives the flower plenty of brightness. The plant is tall and the blooms are held erect on good stems. Real good in every way and you will do well to add this to your collection. Roots .....\$2.50
- TOWERS EMPIRE, I.D. (Tower-Parrella)**—This is the one dahlia that EVERY ONE admired when in the garden. Tall bushes with plenty of large extra full blooms of a deep empire yellow. A most robust grower and a fine keeper when cut. Another good feature, a good root producer. Roots .....\$3.50
- WM. J. RATHGEBER, I.D. (Parkway-Parrella)**—A seedling of Bagdad and a nice flower in every way. The tall bushes produce many blooms of a deep tyrian rose. The petals are long and broad and the flower is held nicely on good stems. Roots .....\$1.50
- YOUTH, I.D. (Parrella-Hulin-Hook)**—This unique color combination of deep magenta and white is always attractive, and YOUTH certainly held plenty of attraction the past season with us. The bushes are tall and the flower of about eight inches, is held nearly on top of good stiff stems. If you like the bi-colors then do not pass this one. Roots .....\$2.50

**WENOKA, F.D. (Hulin-Parrella)** — One of the finest and easiest growing dahlias yet introduced. Winner of certificate with the high score of 88. On three Honor Rolls in 1935. Winner of many prizes and a first-class certificate at Haarlem and Amsterdam, Holland. Reports coming from Australia also claim it outstanding in every respect. The bushes are tall carrying large blooms on perfectly stiff LONG stems. Three times winner as best Washington Introduction at the Northwest shows. The color is a very nice deep magenta or rosy mauve. This is one dahlia that any one can grow. It is already the parent of some very promising seedlings. Roots, \$5.00. Plants.....\$2.50

**BALLEGO'S GLORY, I.D. (Ballego)**—A rich mahogany red with all petals edged and tipped with gold. The blooms are about seven inches and very attractive in the garden, as well as on the exhibition table. Roots.....\$1.00

**CORALLINA, S.C. (Bruidegom)**—A very attractive dahlia described by the Originator as brick red shading to gold at the base of the petals. The flowers are large and held facing on the best of stems. GOOD. Roots.....\$1.00

**DAILY MAIL, I.D. (England)**—This is not new but very popular as it is a fine grower and large flowers of golden buff are produced very freely. It is wonderful for exhibition as it is a fine keeper. Roots.....\$0.50

**DOUKOPIL'S TRIUMPH, I.D. (Chechoslovakia)**  
Extra large flowers of a straw color on fine long stems make this very desirable. The blooms are wide and fairly deep of a light amber at base of petals. GOOD. Roots.....\$1.00

---

Don't you get tired of looking at the same dahlias year after year? We do, that's one reason we buy new ones every year.

To make room for more DESIRABLE dahlias we are offering some extra values on last page.

- EMIL DOUKOPIL, I.D.**—A light lavender from the same source as the above, and one that is easy to grow to perfection. The tall bushes produce large blooms of a very pretty lavender that keep well. You will like this. Roots.....\$1.00
- ENTRUP'S SULTAN, I.D. (Entrup)**—A Holland variety of great size and the color is bright carmine. The huge flowers are always full and produced in abundance on good stems. Very attractive both in the garden and show. Roots...\$1.00
- ENTRUP'S MONARCH, I.D.**—Another from the same originator but of a brilliant cherry red with shadings of white near the base. The extra large blooms are sometimes a little too heavy for the stems, but in any way it is a beauty. Vigorous, about five feet. Roots.....\$1.50
- ELLA BRUIDEGOM, S.C.**—A striking deep carmine rose from Holland that is good size and on fine stems. The tall bushes are a sight to see. Early bloomer and a good producer. Roots.....\$0.50
- EXCELSIOR, I.D.**—A German variety of large size and one of the largest ever to come from that country. The color is terra-cotta and amber. The bush is rather short but the blooms are held well up on good stems. Roots.....\$0.50
- FRANZ BERGER, Cactus**—A seedling from Frau O. Bracht and much the same formation, but the color is bright coral red. In all respects it is like its famous parent. This will be very popular when better known. Roots.....\$1.50
- INSPIRATION, Cactus (Holland)**—Tall bush bearing medium size blooms of a light lemon color on long stiff stems. The petals are very pointed and do not curve. Fine for the florist and exhibition. Plants, \$1.00. Roots.....\$1.50
- LEMONIA, S.C. (Bruidegom)**—Another Holland number that has caused quite a sensation the past two years. A brilliant clear lemon yellow of good size. The flowers are produced so freely that sometimes they do not hold their heads quite upright. Roots .....\$1.50
- MISS BELGIUM, Cactus (Nagels)**—Bright orange red with fine petals. One of the true type cactus that we all like to see. Always good. Roots .....\$0.50
- PINK DAILY MAIL, F.D. (England)**—This variety is identical with the popular Daily Mail except it is a lavender pink. Deep full centers are a shade deeper adding much to the beauty. Every one likes this, and it is an ideal grower. Roots, \$2.50. Plants.....\$1.50

---

If you are trying seedlings be sure you get your seeds from a reliable grower; do not let price alone guide you. Good seeds are not cheap.

Be sure to order as early as possible; be sure of your selections.

Insure your garden with sure stock. Our stock is sure.

Keep your face always to the sun and the shadows will fall behind you.
